north to Sequoit Terrace, became a small lake Saturday after the heavy rainstorm. (Photo by Andy Dugenske.)

## Grass Lake hires new superintendent

The new superintendent of the Grass Lake School district is Richard Hogan from Lake Holiday, near Sandwich, Ill.

For the past three years he has been the middle school principal and assistant superintendent in the Sandwich unit school district.

HE WAS elementary director at DeWitt, Ia., for 10 years, and also has experience teaching and coaching in junior and senior high schools in Iowa.

Mrs. Hogan, the former Betty Edler of Pearl City, Ill., near Freeport, is a primary teacher in the Newark, Ill., grade school.

They have three children. Jeff, a spring graduate from the University of Iowa, will be teaching this fall in Naperville. Patty is a sophomore at Illinois State University at Normal, and Beverly is in her

## Savings & Loan will expand into township

Antioch Savings has announced that approval has been granted to establish a full service facility at Grass Lake Road and route 59.

The Association, which has doubled its asset size over the past two years, feels a need to expand its operations to better serve the community.

Most recently, the association remodeled its lower level to house its expanded mortgage and insurance departments. Now, the additional full service facility is planned to open within the next year.

Additionally, a new computer system will be installed to link the new facility with the present location.

The new facility will adjoin the Harbor Ridge Country Club development at the southwest corner of Grass Lake Road and route 59.

The association plans a 2,500 square foot building with full drive-up and parking facilities.

Thomas Kelly, president of the association, said he feels that the new facility will provide area residents with convenient savings services while providing needed mortgage money to families moving into the area.

## Worst storm in years

By SUE NASENBENY

If the tornado and high winds were not enough for Antioch residents last Tuesday, then the torrential rains which caused massive flooding early Saturday were enough to make villagers plea to Mother Nature to call it quits.

Supt. of Public Works Walt Shepard said he did not have a dollar value on the damage yet which was caused when four and one-half inches of rain fell in less than two hours.

"The storm sewers won't handle that kind of rainfall," he explained.

HE SAID THE STORM was the worst he had seen in the four years he has held his position in Antioch, and that Fire Chief Tod Mapletorpe told him he hasn't seen the rain much worse in the last 25 years.

Sewers were backed up in various places, caused by excessive infiltration, he said, and especially hard hit

Inflation is easily recognized as that time when necessities and luxuries are selling for about the same price.

areas included Oakwood Knolls and the northeast section of town.

"The rain caused a lot of trouble," he said. Residents who never had water in their basements before were calling up to report flooding. And in some areas, people stood waist-deep in the flooded streets.

CHILDREN TOOK OUT inflatable rafts and went sailing through the streets while others grabbed their poles and went fishing in the flooded Sequoit Creek.

No appreciable damage was done by the storm to the Hiram Bultrick Sawmill, although water poured in two feet above the dam, Shepard said. However, the water flowed through Sequoit Creek and up three or four feet over the bridge which intersects Hillside Avenue.

Most of Osmond Park was flooded, especially the homes on Hillandale Avenue, he added.

Shepard said the public works department came within six inches of a \$50,000 disaster when water rose almost high enough to ruin the lift station at Hillside and Tiffany. If the water would have come up another six inches, the pumps that take water to the sewer would have been lost.

THE PUBLIC WORKS department was kept busy all

## Village buys van for firemen

The Antioch village board Monday night voted to purchase a 1978 one-ton Chevrolet step van for the fire department. The van was bought from Teresi Chevrolet for \$9,800.

The board also moved to purchase a snowplow and sand spreader for \$4,995.

Trustees voted to make Hillside Ave., from route 173 to Harden St., one-way south.

The board also decided to allow no through truck traffic on Orchard St., then approved the rental of a hull, tractor loader, and materials for repairs on McMillen Road.

The board voted to change the date of its next regular meeting from Sept. 4 to Sept. 5 due to the Labor Day holiday.

## Motorcycle rider hurt

Samuel H. Busch, 22, of Spring Grove, was injured last Thursday when his motorcycle struck the rear bumper of a pickup truck on Grass Lake Road, west of Antioch. He was treated at Victory Memorial Hospital, Waukegan.

The truck driver, Thaddeus Stefanski, 53, of Lake Villa, was not hurt.

A LITTLE DOWNTOWN beautification took place last week when the village of Antioch, in cooperation with the Chamber of Commerce, "bricked in" the trees that were planted a few years ago through the

generosity of Chamber members. Above, village summer employees Brian Andrews (left) and Tom Koenig, finish working on a tree on Lake St. Previously, the trees were boxed in by railroad ties.

## House fire Monday: minor damage

Antioch firemen rushed to battle a house fire in the California subdivision shortly after 7 o'clock Monday morning.

Damage was only minor at the J.F. Soby residence on 3rd Ave., just south of route 173. The cause apparently was electrical. Fire Chief Tod Maples said.

Last Saturday, there were two fires. One at the Charles Hope residence, on Bowles Road off route 59, was a garage fire limited to "minor damage to contents."

At 2:05 a.m. Monday, the Antioch firefighters got out of bed and rushed to Sunny Dale Farm, near Thelen's Sand and Gravel Company, where a fire was started by a gas leak.

Last Wednesday afternoon the fire department's underwater recovery team helped the Wauconda department after a drowning. The Antioch divers recovered the body of a local Wauconda boy.

## Antioch to investigate its flooding problems

Antioch's village board has taken action to begin investigation on home flooding problems.

This occurred Monday night after a lengthy, somewhat incensed board meeting. A number of village citizens came to air their problems and frustrations with flooding.

After each person was allowed full expression of his complaint, the board thoroughly discussed the situation and unanimously voted to authorize attorney Andrew C. Lynch to devise an ordinance which would enable village authorities to inspect utilities in community members' homes.

A NUMBER OF POINTS were raised by community members present, all of whom had had some type of serious flooding problems.

Timothy Stack, of 538 Maplewood Drive, said he had 18 inches of water in his basement.

"All down Hazelwood Avenue, it's a river," said Mr. Stack.

"I've lost two air conditioners, rugs, two hide-a-beds and a lot of my kids' toys," said Mr. Stack.

He felt the sewers simply are not big enough and protested continued housing construction with what he feels to be inadequate sewer facilities.

MR. AND MRS. RON KLACZAK of 441 Winsor Drive said they had flooding on two occasions. The most recent flood brought sewage floating in their basement.

Said Mr. Klaczak, "It's unhealthy. It's terrible."

Near Jensen Park, Mr. and Mrs. Michael Schueneman, of 627 Alima Terrace, reported serious flooding.

Said Mr. Schueneman, "It's like you took our house and put it into the channel. It was really an unbelievable situation."

MRS. SCHUENEMAN SAID that she felt the park is graded to flood and asked for action from the village to contain the

# The turtle has his shell, but needs protection

By LINDA BARNES

Quite frequently, in areas surrounding Antioch village, you can see stubby-legged, tough-skinned turtles slowly making their way across a road or highway.

They vary in size and type and it is possible that they traverse the roads in an attempt to move from one lake or swamp to another.

So often, they stand transfixed in the center of the road, not moving... utterly bewildered and frightened by the rush of motorears which speed past them.

AS THE CARS BRUSH by them, the turtles snap at the air, in confusion, anger and self-defense... and then withdraw into their hard shells, their most efficient form of natural protection.

Turtles are the only reptiles endowed with a shell. Like all reptiles, they are cold-blooded; that is, their body temperature remains about the same as the temperature of the surrounding air or water.

Because they are cold-blooded, those turtles who live in cold regions must hibernate during the winter. Most fresh water turtles hibernate by digging into the mud or sand of streams, lakes or ponds. Land turtles burrow themselves in soil or rotting vegetation.

TURTLES HAVE NO TEETH; but they have sharp-edged beaks which they use to cut food. They also have powerful jaws with which they tear food and capture prey.

All turtles lay their eggs on land. After laying the eggs, the female covers her eggs and simply leaves them. She never returns to the eggs. Rather, the warmth of the sun hatches them.

The newly-hatched turtles must dig their way to the surface of the ground and fend for themselves all on their own. They also are completely self-sufficient in obtaining their food. This leaves the young particularly vulnerable to prey.

AS ONE OF the earth's slowest land animals, the turtle surely compensates with its longevity. Turtles live longer than any other backboneed animal on earth.

The greatest authentic age recorded for a turtle is 152 years. This was a male tortoise from the Seychelles Islands. Tortoises are actually a type of turtle which live only on land.

As he is to so many undomesticated animals, man still serves as the turtle's most serious threat to survival. He eats them. He pollutes their homes and replaces forests and swamps with farms, cities and macadamized roads.

Against us, the turtle is virtually defenseless. So, until "Turtle Crossing" signs are installed, let's drive carefully and respect his right of passage on the roads.

## Chamber plans booklet to 'sell' Antioch

The Antioch Chamber of Commerce & Industry has completed plans to publish its first "Community Profile Book" and has engaged Profile Publications of Crystal Lake to develop the book.

"When published, the Antioch story will be presented in Please turn to page 6

## Job openings in sheriff's department

Applications are being accepted by the Lake County sheriff's office merit commission for the positions of deputy sheriff, jail officer, and jail officers for the work release program.

Applicants must be at

least 21 years of age, with a maximum age of 35 for deputy sheriff applicants and 50 for jail officer candidates. All applicants must have been a resident of Illinois for at least one year prior to appointment.

Application forms are at

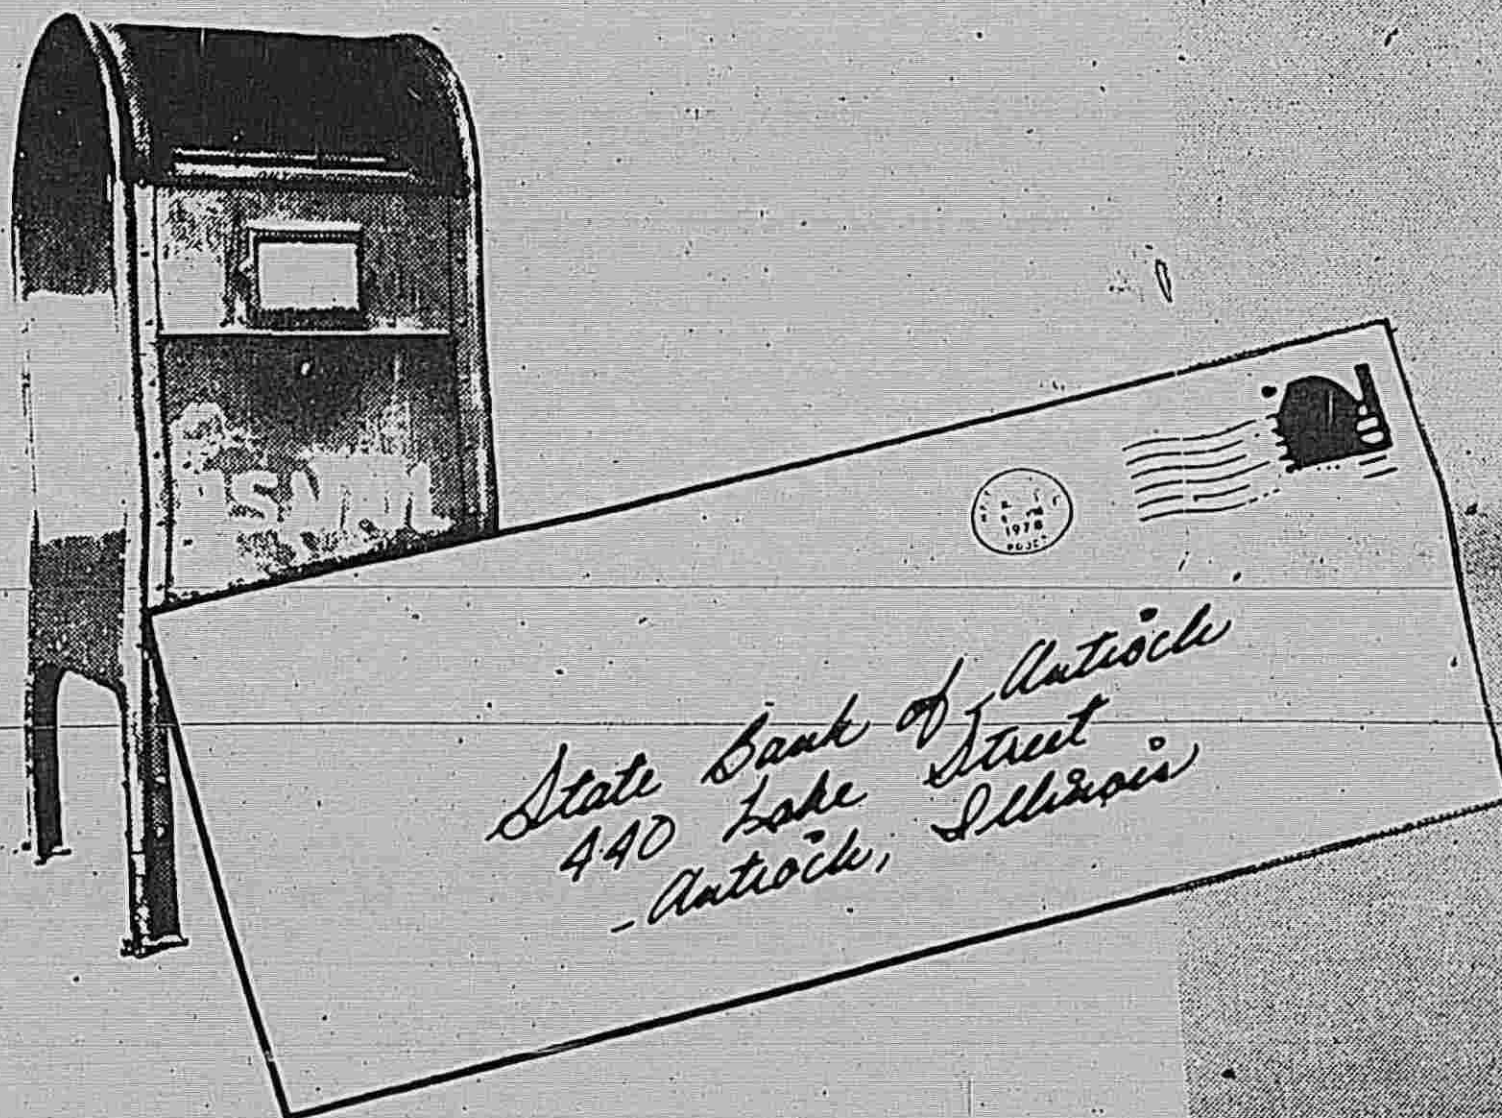

the merit commission office in the County Building, Waukegan. The deadline for filing is Sept. 29, 12:30 p.m. Telephone inquiries can be directed to 689-6638.

The starting salary for deputy applicants is \$1,134 per month; for jail officers,

\$901 per month; and for work release coordinators, \$838 per month.

### Father Keusal 'still a part of Antioch'

Dear Editor:

I just want to say how much I enjoyed our visit at my cousin's home in Antioch. I was in the Wisconsin Dells. It was a really nice visit. I was about to go to the World's Fair. Just now I know what it's all about. Your article made me feel like I was still a part of Antioch. I really still am.

I just want to make an addition to what you printed. You forgot to mention that the ANTIOCH NEWS is the greatest newspaper in the world. I wouldn't miss an issue.

My best to all the wonderful people in Antioch.

Sincerely,

Rev. Eugene L. Keusal  
Saint Joseph Rectory  
1747 Lake Avenue  
Wilmette, Ill. 60091

P.S. I missed a picture of the Mayor in this week's Antioch News.

### Brightener

The condemned man was led before the firing squad. He was asked if he had any last requests.

"Just one," he replied. "Use blanks."

A newspaper dedicated to people marching to their own drummers.

### The secret stories behind some world records

By JERRY PFARR

Sorry, folks, but I'm afraid the world is full of them.

Just when we hope we've heard the last of Evel Knievel, two women plunge in and try to swim more than 100 miles in shark-infested waters, and three men float across the Atlantic Ocean in a balloon.

Perhaps you read about them in the news last week, so we won't go into details. Their names aren't important either (in fact, we've already forgotten them) but let's call them all Cashew.

ACTUALLY, FLYING ACROSS the ocean in a balloon makes some sense.

Said one of the men:

"It's so quiet up there ... you stand on the balcony and watch the world go by below. It's such a magnificent sight."

But the woman trying to swim from Cuba to Florida in a \$50,000 "shark-protection cage," only to be stung in the mouth by poisonous jellyfish, could be classified as a trifle bizarre.

WHAT MAKES SOME people undertake these nutty marathons? Well, luckily, we have been in the newspaper business a long time and have the answers.

We were there in 1953 when Edmund Percival Hillary conquered Mount Everest and we saw his fingertips clutch at the top of that 5-mile-high peak. As he pulled his face up into view, we stuck our tape recorder toward his gasping mouth and asked:

"Hillary, why did you climb this mountain? Because it was there."

"No," he said, grinning impishly. "my wife has been offering for months to paint the house."

AND WE WERE THERE in 1975 when a fellow named Dan Carter, not the famous boxer, set the record of a pole - and 40 minutes balancing to one end.

Don "asked" "Why?"

"I didn't realize they were trying me," he said, rather embarrassed. "We were at a party and my wife told

someone: 'Watch how much Don puts his foot in his mouth.'"

AND, OF COURSE, we were in New York in 1965 when Kenneth LeBel, jumped over 17 barrels (a total length of 28 feet 8 inches). As he skated away, we slipped and slid after him.

Kenneth had no idea what he had just accomplished: He was just singing happily:

"There's 17 barrels of beer on the wall, 17 barrels of beer..."

AND, YOU GUESSED IT, we were on the spot when Phil Holt pushed a bathtub 36 miles in less than two hours, in British Columbia in 1976.

"That's a world record, Phil," we informed him.

"Was that a bathtub?" he said, obviously a little zonked. "It must have been upside-down. I thought it was my Volkswagen and I was out of gas."

UNFORTUNATELY, THE MARATHON CRAZE has spread to Antioch. We have a friend, whose name we can't mention, who is trying to see how many consecutive hours he can sleep or rest without being discovered by his wife or his boss. (Right now, he is resting - somewhere in Antioch - at his desk.)

And there is another fellow who spent last weekend seeing how many empty beer cans he could fit on his living room rug.

He emerged Monday thinking the Cubs have a chance to win the pennant and the Bears are headed for the Super Bowl.

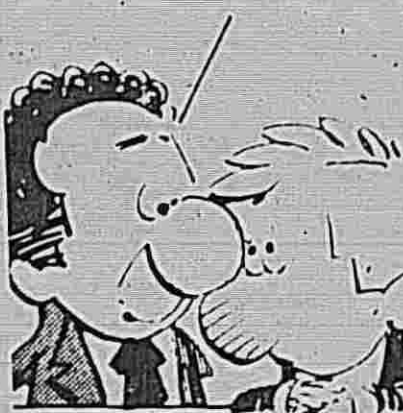

OH, AND BY THE WAY, it was June of 1969, in Mexico City, when Octavio Gurién, 32, and Adriana Martínez, 32, finally took the plunge after the world's longest engagement.

"Octavio," we inquired, "why were you engaged to Adriana for 67 years before marrying her?"

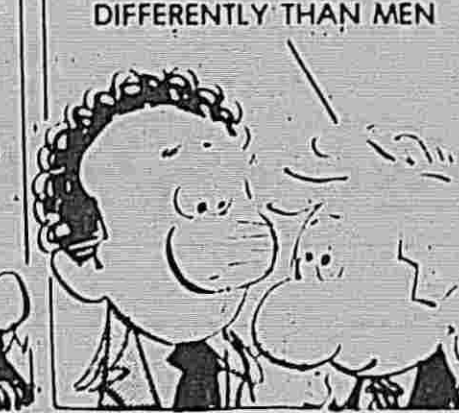

Octavio just smiled and winked. "Wonder what he meant by that?"

### SOVEREIGN STATE of AFFAIRS

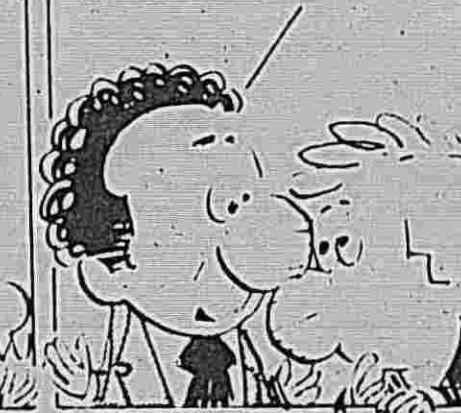

WHAT'S THE EQUAL RIGHTS AMENDMENT ALL ABOUT?

IT WOULD MAKE IT ILLEGAL TO TREAT WOMEN DIFFERENTLY THAN MEN

WHY DID THE HOUSE GRANT IT AN EXTENSION?

### BOYD

THEY SAY WOMEN DESERVE SPECIAL CONSIDERATION

### Schools set criteria for reduced price lunches

Antioch area schools have announced their policy for free milk, free lunch and reduced price lunches.

These are for children unable to pay the full price of meals and milk served under the national school lunch, breakfast and special milk programs.

Officials at Antioch High School, Grade School District 34, Grass Lake School, Emmons School and St. Peter's have adopted the "family size and income criteria" for determining eligibility. The schedule appears with this article.

CHILDREN FROM FAMILIES whose income is at or below the levels shown are eligible.

FAMILY SIZE	FAMILY INCOME FREE MEALS AND FREE MILK FY 79	FAMILY INCOME REDUCED PRICE MEALS FY 79
1	\$ 4,190	\$ 6,530
2	5,500	8,580
3	6,810	10,630
4	8,110	12,680
5	9,310	14,530
6	10,510	16,400
7	11,600	18,100
8	12,690	19,790
9	13,680	21,330
10	14,660	22,870
11	15,640	24,350
12	16,610	25,910
Each Additional Family Member	970	1,520

Though Mount Kilimanjaro stands nearly on the equator, its 19,000 foot peak is perennially capped with snow.

### NAME in the News

CARL KNUTSEN, son of Mr. and Mrs. Harold Knutsen of Antioch, a recent graduate from the University of Illinois School of Pharmacy has now been granted his license by the State of Illinois.

He is presently employed by St. Mary's Hospital in Chicago as a staff pharmacist.

# 'Mikie' still fighting against leukemia

By LINDA BARNES

It has been just six months since 3-year-old Mikie Rebellato and his father returned from the Hutchinson Center in Seattle to their home in Round Lake Beach, Ill.

In Seattle, Mikie, a victim of leukemia, had undergone the long and tedious treatment known as bone marrow transplant. In the transplant, all of the diseased bone marrow is hopefully killed with radiation and then replaced with normal marrow.

MIKIE'S DONOR was his older brother, Johanie, 7, who underwent painful syringe extractions in the hip to transplant some of his marrow to his brother.

The bone marrow transplant is very expensive and usually a last recourse for leucemic patients. When the Rebellatos first considered the marrow transplant for Mikie, doctors predicted a 20 percent chance of survival for him.

The problem then became one of finances, since it was clear that the prohibitive \$800 per day cost at the Hutchinson Center could never be independently met by the Rebellatos.

WITH THE HELP of Mrs. Joanne Kitterman of Antioch, money for the Rebellato cause soon began to be donated to a fund at the State Bank of Antioch. Eventually, the Rebellato story hit the national media and more donations began to pour in.

By the end of February, the Rebellatos

had received more than \$38,000 in donations. Over 3,000 people from all over the country (including Hawaii) had sent in money. The Rebellato story was publicized in about 100 newspapers throughout the nation.

SADLY, THE OUTCOME of Mikie's bone marrow transplant has not been a successful one.

One month after his return to Illinois, Mikie underwent his first checkup at Children's Memorial in Chicago. At that time, it was found that 20 percent of his bone marrow had leucemic cells. Within two weeks after this first checkup, all of the bone marrow was leucemic, making the entire transplant ineffectual.

Mikie suffered a relapse and, immediately thereafter, chemotherapy was recommenced.

With chemotherapy, the patient takes various drugs which hopefully kill all of the leucemic cells. As long as the drugs are taking effect, the patient is in a state called remission and does well.

MIKIE PRESENTLY is in a state of remission and looks healthy and well.

It is only when he slips into a relapse that a dangerous condition arises. With relapse, the white blood cells enter the blood stream and overpower all other components of the blood. The blood system cannot function as it should and resistance is lowered.

This is the greatest danger with leukemia -- the lowering of the patient's

resistance. The patient then becomes susceptible to many different kinds of infections, viruses, and diseases.

SINCE HIS RETURN from Seattle, Mikie has contracted pneumonia twice during his relapse periods.

As Mr. Rebellato says, "As long as he's in remission, he's a perfectly healthy kid."

Mikie's future is uncertain. Another bone marrow transplant is out of the question, since the amount of radiation and drugs used can only be applied once to a single human being.

Plans for Mikie and for the remaining

\$28,000, which was donated on his behalf, cannot yet be made.

"We are holding off now because we don't know what will happen," says Mr. Rebellato.

If the money is not used for Mikie, Mr. Rebellato is emphatic in his determination to donate all that he has not used to Children's Memorial in Chicago and the Hutchinson Center in Seattle.

This will be done with Mr. Rebellato's good hope and faith that the money will be used for the continuation of research towards the discovery of the cause of and cure for Leukemia.

HAPPY AT HOME with his dad and "big sister" is 3-year-old Mikie Rebellato, whose future is still uncertain because he is a victim of leukemia. From left: Tina, 4, John Rebellato and Mikie. (Photo by Linda Barnes.)

## Sawmill vandalism angers police, village officials

By SUE NASENBENY

Vandalism to the Hiram Buttrick Sawmill on Sequoit Creek has caused damage to the waterwheel, the surrounding fence and trees.

And Walt Shepard, superintendent of public works and one of the coordinators of the two-year sawmill project, said the situation "makes me sick" and that village officials and police intend to prosecute the vandals to the fullest extent of the law if they are caught.

"PEOPLE THREW ROCKS into the waterwheel on three or four occasions and broke the pedals which stopped the wheel," Shepard said, adding that the acts were "very deliberate."

He said that sometime last week, five or six rails on the split rail fence which circles the park were deliberately broken when someone probably jumped on them.

Also, some attempts were made to uproot the trees planted recently which were donated and dedicated by various residents, he said.

"When you consider the amount of time and effort everyone in the town put into the

sawmill to make it a nice place ... it makes me sick and other people in town sick."

HE SAID POLICE are investigating the vandalism and if the culprits are caught, "they'll be put in jail if that is what needs to be done. They are breaking into public land."

Shepard, along with Dick Stroner, building inspector, worked consecutive weekends for two years to build the recently dedicated sawmill, which can cut wood as the original one did when Hiram Buttrick constructed it in the late 1830s.

Mayor Michael J. Haley said the public works employees and the police department have done an excellent job of trying to keep an eye on the mill so the vandalism doesn't reoccur.

"They can't be there 24 hours a day - they have other things to do - so I'm asking the citizens of Antioch to make an effort to drive past or walk down to the sawmill and help us keep an eye on it," the mayor said.

"If anyone has information as to who is causing the damage, we hope they will come to us," he added.

931 MAIN STREET  
ANTIOCH  
"THE FRIENDLY ONES"

70 YEARS AGO: AUGUST 20, 1908

Mr. Nie Colby, who resides just one mile west of McHenry on the old Colby farm, shot and instantly killed his sister-in-law, Mrs. Newell Colby, with a rifle. She was evidently lured from the family residence to the barn by the murderer. Following the murderous attack on his sister-in-law, Colby turned the rifle upon himself, inflicting two wounds. Mrs. Newell Colby's husband is at present doing time at the Illinois State penitentiary at Joliet. Last summer he shot and killed Dr. Beebe. It is feared that Colby might have loved his brother's wife and that he had been turned down by her, thus the act. Although her husband is confined in the state penitentiary the marriage vows and seals have been preserved.

By a special election held at Ingleside last week, that village was annexed to the village of Fox Lake. Fox Lake was willing to make the annexation as it means that much additional revenue. Strange as it may seem it is declared that the one and only reason that actuated Ingleside to ask for annexation was that licensed saloons might operate with limits. The war against blind pigs in Ingleside for the past year has been waged most persistently and so far as known there are none now existing.

The two-year-old son of Mr. and Mrs. Frank Gorman, of near here, was badly scalded by falling into a pot of boiling grapes. Mrs. Gorman had been making grape jelly and set the pot on the floor by the stove. No sooner had she done this than her little son, Wayne, backed into the kettle, sitting down in the hot liquid.

John Didama has leased his blacksmith shop here to a Mr. W.W. Jackson of Oklahoma, who will take possession the first of September.

Always use a little of Hendrich's tonic or bitters in your whiskey. It is like using cream in coffee.

40 YEARS AGO: AUGUST 25, 1938

Miss Genevieve Daube's intriguing curves and streamlines, or the applause they have been provoking, brought forth a vociferous protest from young married women who want to tell the world that single girls have no corner on perfect figures. Mrs. Genevieve Johnson, married nine years and herself a girl of no little charm, broke into print and picture with the following outcry: "I'm sick and tired of hearing about the perfect figures of only the single girls. Venus herself was married early in life and she continued to be the ideal of all races and all times. My measurements are the same as Miss Daube's, except that I am an inch shorter."

The ladies water fight, which was a feature of the American Legion festival at Grayslake Sunday, resulted in a victory for Antioch. The Antioch girls who took part in the fight were Mrs. Ehnner-Hunter, Mrs. John Gaa, Mrs. John Horan, Mrs. C.E. Hennings and Mrs. Edgar Simonsen.

Mrs. A. Kostuch will open her Oakland hotel on the west shores of Channel Lake Friday of this week. She has seventeen guest rooms and one of the prettiest spots on Channel Lake, which seems to assure the success of her new enterprise.

20 YEARS AGO: AUGUST 21, 1958

Herman Holbek, 970 Main St., has been named chairman of the 1959 American Red Cross Fund Campaign in the Antioch area.

Antioch firemen saved two homes, a grainery, a garage, and other small structures during a spectacular fire on the Sunny Hill Farm yesterday. The sky appeared ablaze as a large barn burned to the ground - a total loss. Mr. and Mrs. Robert Lasco, who live near the barn on Rt. 173 were awakened by the "crackling sound," and called firemen.

Movies at the local theaters were: "The Bridge on the River Kwai," "Scared Stiff" starring Dean Martin and Jerry Lewis, "Peter Pan" by Walt Disney, and "The Revenge of Frankenstein."

10 YEARS AGO: AUGUST 22, 1968

It was hotter than the hinges of that proverbial place in Antioch Tuesday as the temperature gauge in the Antioch Savings Plaza listed a blistering 99 degrees.

Mary Stefanski, Lydia Boulanger and Susan Toman of Antioch attended week long summer art school for gifted Illinois high school pupils at Allerton House, University of Illinois.

Ann Bieganowski of Antioch thought that she was seeing things last week when she saw a giant cow lying by the side of the road with its feet straight up in the air.

The cow was made of plastic and weighed 200 lbs. It had been stolen from the roof of the Cowbarn Restaurant at Bluff Lake Rd. and Grass Lake Rd. The owner, Joseph Farrin, immediately sent a truck to the spot to pick up his cow, and it will again be sent to pasture top Ye Old Cowbarn restaurant.

Robert J. Huebner and Maribeth Dvorak

## Maribeth Dvorak to wed Robert Huebner

Maribeth Dvorak, daughter of Mr. and Mrs. Richard Dvorak of Lake Villa, will become the bride of Robert J. Huebner, son of Mr. and Mrs. Robert A. Huebner of Antioch in an afternoon ceremony on Nov. 18 in St. Peter's Church.

The bride-to-be is executive secretary to the lineman for Commonwealth Edison and Robert is Midwest area V.P. for the American Hospital Supply Division.

## Chamber plans booklet

Continued from page 3

a manner similar to that of a highly professional feature magazine," said Bill Patterson, president of the chamber.

"A combination of dramatic photography and editorial copy will depict the various facets of community and business life as related to history, recreational opportunities, schools, homes, churches, shopping facilities and industry," Patterson said. "The several thousand copies of the book will be distributed both within and outside of the Antioch area to be used to attract new residents, visitors, businesses and industry."

The book will be made possible through the sale of advertising space and sponsorships for those who wish to participate, Patterson added.

He said the book will be circulated to business prospects outside of the greater Antioch area through the Illinois Economic Development Commission, the public utilities and others.

"It has been found by many communities to be a potent selling tool in promoting the livability of their area as a good place to work, live, play and conduct business," said Patterson, who is chairman of the chamber booklet committee.

Assisting him are Richard Kirkpatrick, Marilyn Sterbenz, village clerk, and Nancy Kinan.

**GRADUATE - Judith Reyne McKinney, daughter of Charles and Margaret McKinney, Rt. 3, Box 783, Antioch, has graduated from Cardinal Stritch College in Fox Point, Wis. Miss McKinney received an associate of arts degree in child care.**

## Grass Lake school has new chief

Continued from page 1  
second year of study to be a court reporter in Phoenix, Ariz.

MR. HOGAN received his B.A. degree from Iowa State Teachers College in Cedar Falls and his master of arts degree in Colorado.

He has done additional graduate work at Moorhead State, Western State, the University of Kansas, the University of Iowa and Northern Illinois University.

The new school administrator officiated high school and college sports in Iowa and Illinois, including the state tournament in Iowa.

He is a member of Rotary, especially interested in the international youth exchange program. The Hogans have had five foreign students live with them.

The entire family is involved in tennis and water sports, and enjoy traveling.

The Hogans are selling their house in Lake Holiday, about 70 miles southwest of Antioch, and plan to move to this area.

Mr. Hogan has signed a two-year contract with the school board. He began his job at Grass Lake Monday.

THE PREVIOUS superintendent, Albert Palucci, was at Grass Lake only a year. School board president John Steitz was quoted as saying:

"It was a mutual termination of his contract at his request. It caught us by surprise."

Mr. Hogan was chosen from a field of five candidates screened for Grass Lake by the Illinois Assn. of School Boards.

## Lake Villa park 'silenced'

The Lake Villa township board has cancelled late hours for Sand Lake Park, at Granada Boulevard and Verona Avenue, following complaints from residents of loud music, minors drinking alcohol, vehicle

noise, vandalism and littering.

The board voted at its monthly meeting to close the park at sunset and not allow the building of campfires, township parks director Ronald Coles said.

"Men are never so good or so bad as their opinions."

# Rotary exchange student here from Scotland

By LINDA BARNES

Janet McMurray, 16, has only just arrived to the United States, yet already she feels at home.

While this may seem unusual for those who speak of national differences and cultural adjustments, for Janet, a young woman of international inclinations, she fits in just as easily in Antioch, Ill., as she does in her hometown village of Seamill, Scotland.

Janet has come to Antioch on a youth exchange program sponsored by the Rotary Club. Antioch's Rotary is the host club and her first host family is Mr. and Mrs. Thomas Kelly of 571 Phillips Circle, and their children.

JANET WILL STAY with the Kelly family for four months. She then will move to the home of Mr. and Mrs. Robert Bemis for the second four-month period. She will spend her last four months in the United States with another family in Antioch, making her entire stay one full year. The last host family has not yet been decided upon, but it will be a member of the local Rotary Club.

The concept of the program is exchange, and so Janet's parents have taken into their home an American student, Debbie Schultz, also 16, from Michigan.

BOTH JANET AND DEBBIE will be attending schools in their respective towns. Janet will do her last year of secondary education at Antioch High School.

After her first visit to the high school where she registered for courses, Janet remarked:

"The schools are a lot different. That's one thing I've noticed."

JANET SAID THE educational system in Scotland is much more academic. Here, there is a wider variety of courses which, she said, would not be offered in Scotland.

When asked what prompted her to participate in a program of this type, Janet said:

"I'd always wanted to travel. I loved meeting new people and seeing how they live."

Janet had been to Florida about seven years ago with her parents. This served as her initial introduction to the United States and helped her to choose America as her host country.

JANET WAS CHOSEN as an exchange student after filling out rather extensive applications with the Rotary Club. In the application, it was necessary for the candidate to provide background information about herself, her hometown, her likes and her interests.

Additionally, it was necessary to tell why she wanted to come to the United States and what she hoped to do when she came.

For the Kellys, their involvement as a host family first began when it was announced at a Rotary Club meeting that Antioch was to receive a student from Scotland.

Mr. and Mrs. Kelly discussed the possibility of becoming a host family.

"I thought it would be a real learning experience for everybody in the family," said Mrs. Kelly.

With so many girls in their family (four daughters and one son), the Kellys felt that a female student would be easiest to relate to.

SOME OF THE first things Janet noticed during her initial days in the United States were the extremely hot and humid weather, the large, wide highways and roads, and the wood houses. Janet's hometown, in the province of Ayrshire, dates back to 1200 AD. Many of the buildings are old and constructed of stone. To Janet, everything in the United States looked so new and modern.

Janet is impressed with the friendliness of the people she has met in the United States.

"Everyone I've been introduced to has been very kind," she said. "And I've noticed an awful lot of community spirit in Antioch."

JANET'S EXUBERANCE and enthusiasm for the upcoming year simply overflows. She seems to recognize the irreplaceability of personally experiencing another country and culture in order to truly know and understand it.

AN EXCHANGE STUDENT from Scotland, Janet McMurray (center) will attend Antioch High School for the next nine months and will spend a year living four months each with three members of the

Rotary Club of Antioch. She is pictured with part of her first "host family," (from left) Tom Kelly, his daughter Colleen, Miss McMurray, Tom Kelly Jr. and Gail Kelly. (Photo by Linda Barnes.)

**MASTER OF CEREMONIES** when Antioch High School's class of 1933 gathered for a reunion last Saturday was William E. Brook, president of the State Bank of Antioch. At the right is his wife, Janet, and behind her is Warren Polley, superintendent of the high school district.

**AFTER 45 YEARS**, Antioch High's class of 1933 got together at Andre's Steak House last Saturday night. The group included (from left) Eileen Osmond Lewin, Hazel Hawkins Over-

ton, William E. Brook, Cornelia Roberts, Ruth Cremin Varner, the high school's present superintendent, Warren Polley and Wilma Musch Gibbs.

**A TEACHER** of the class of 1933, Cornelia Roberts, spoke to more than 20 of her former students who attended the reunion with their wives, husbands and a few other guests. Seated to her right are Bill and Janet Brook.

have a  
nice weekend...

## Class of '33 gathers after 45 years

The class of 1933 of Antioch Community High School held a 45th year reunion at Andre's in Richmond last Saturday.

There were 43 people present. Mr. William E. Brook was the master of ceremonies.

The committee included Mr. Brook, Eileen Osmond Lewin, Wilma Musch Gibbs, Hazel Hawkins Overton and Ruth Cremin Varner.

Mr. Warren Polley, superintendent of the high school, and Miss Cornelia Roberts, a former teacher, talked about the past and present high school activities.

Initial plans were made for the 50th reunion in 1983.

## Happenings

THE REGULAR monthly meeting of the board of education of Antioch Community High School, District 117, will be held on Thursday, 7:30 p.m., in the board room.

## Jaycees Corner

The Antioch Jaycees, with financial support from John Teresi Chevrolet, the First National Bank, the State Bank, and Lyons-Ryan Ford took 43 teens from the Antioch-Lake Villa area to see the Cubs beat the Pirates at Wrigley Field.

The Jaycees -- John Christiansen, Ron Chilcote, John Burnett and Mike Teeley, had hot dogs, pop, potato chips and peanuts for the kids to make sure everyone was able to keep their mind on the ballgame.

ONE OF THE HIGHLIGHTS of the trip was the awards given to the winners of "pools" to guess the total attendance, the inning with the most hits and the number of hits, and the inning with the most runs and the number of runs.

The "pool" was run by Ron and, for some strange reason, all of the "pools" were won by chaperons.

Due to the fear that someone was afraid that the kids, who outnumbered the Jaycees, might question the results, the awards were given to the following teens:

Closest on total attendance: Roxanne Osterly.

Most hits and inning: Dean Berkiel.

Most runs and inning: Gerry Lawson.

THE TRIP WAS the fourth annual excursion to a baseball game and the Jaycees hope to continue the program with the continued support of local businesses.

The trip this year had an additional benefit, being part of the program offered by the Allendale School in Lake Villa.

The highest city in the world is Lhasa, Tibet, which is 12,002 feet above sea level.

## Happenings around our community

**ANTIOCH HIGH** School's principal, Art Blecke, will start his "Principal's Pow-wow" on Wednesdays beginning in September. Parents of freshmen stu-

dents will be invited for lunch, a tour of the building and an informal discussion. In addition to Mr. Blecke, a counselor and a dean will provide information and answer questions parents

might have concerning the school.

Parents will be contacted by the school to establish dates for the meetings, which will start with lunch at 11:30 a.m. and conclude

at 1 p.m.

If time permits, Mr. Blecke said he would like to extend the program to involve sophomore and junior parents.

LAKE COUNTY Repub-

lican chairman George Kanga has announced final plans for the 11th annual Republican Picnic, Sunday, Sept. 10.

The site this year is Holiday Park in Ingleside. One of the features will

be a "country auction" from 1:30 to 3 p.m. The featured speaker is U.S. Senator Charles H. Percy.

"Little minds are wounded by the smallest things."

# Changing your phone plan could save you money.

Check your phone bill. Since you selected your current residence phone plan, your calling habits may have changed. Why not take a few minutes to see if the phone plan you have is right for you. To find out, here are some things you should know:

## 1. There are six different residence phone plans available.

In the Outer Metropolitan Chicago area (see map), telephone plans range from \$5.85\* a month for a two-party service (which includes calls to the immediate surrounding area) ... to \$36.00\* a month for a single-party service (with unlimited calling within the greater Chicago Metropolitan area).

### Available Phone Plans

Two-Party Local	Includes unlimited calling to immediate vicinity. Good for people who seldom call outside this area and who are not concerned about sharing their telephone line with another party.
Local	Includes unlimited calling to immediate vicinity. Good for people who seldom call outside this area and who prefer a one-party line.
Call-Pak 50 Call-Pak 150 Call-Pak 300	Includes unlimited calling in immediate surrounding area plus the designated number of message units for calls outside this area.
Call-Pak Unlimited	Good for the frequent phone user who makes many calls throughout the greater Chicago Metropolitan area.

## 2. Your phone bill can help you tell which plan you need.

If you have any of the Call-Pak plans, simply look at the number of message units you have used over the past three

months or so, and compare that to the number of units in your present plan. You can find the information you need on the second line of charges on your bill. If you've consistently used many more or less than your plan allows, you should consider a different one.

If you have a Local plan and consistently have toll charges for calls to points within the Chicago Metropolitan area, you too should consider a different plan.

## 3. Distance is also a factor.

Consider the different places you call when choosing a phone plan. If you place almost all calls to the immediate vicinity and very few calls to outlying areas, you may do well to have a Local service. If, on the other hand, you often make message unit calls to friends and family who are located in more distant communities, a different plan may be more economical.

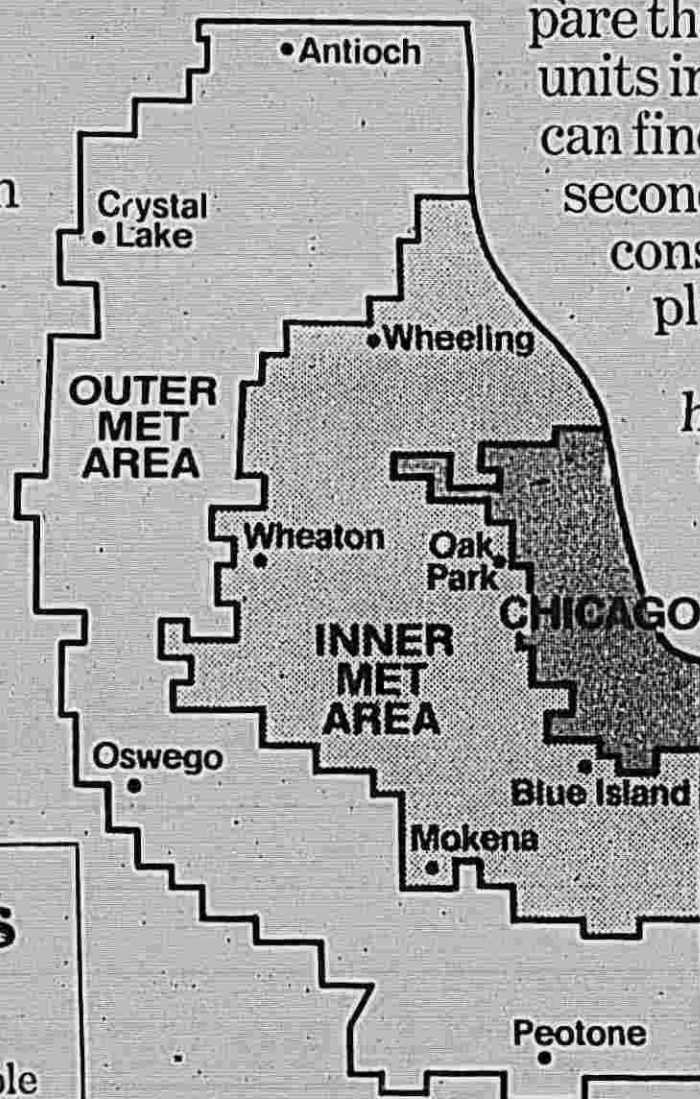

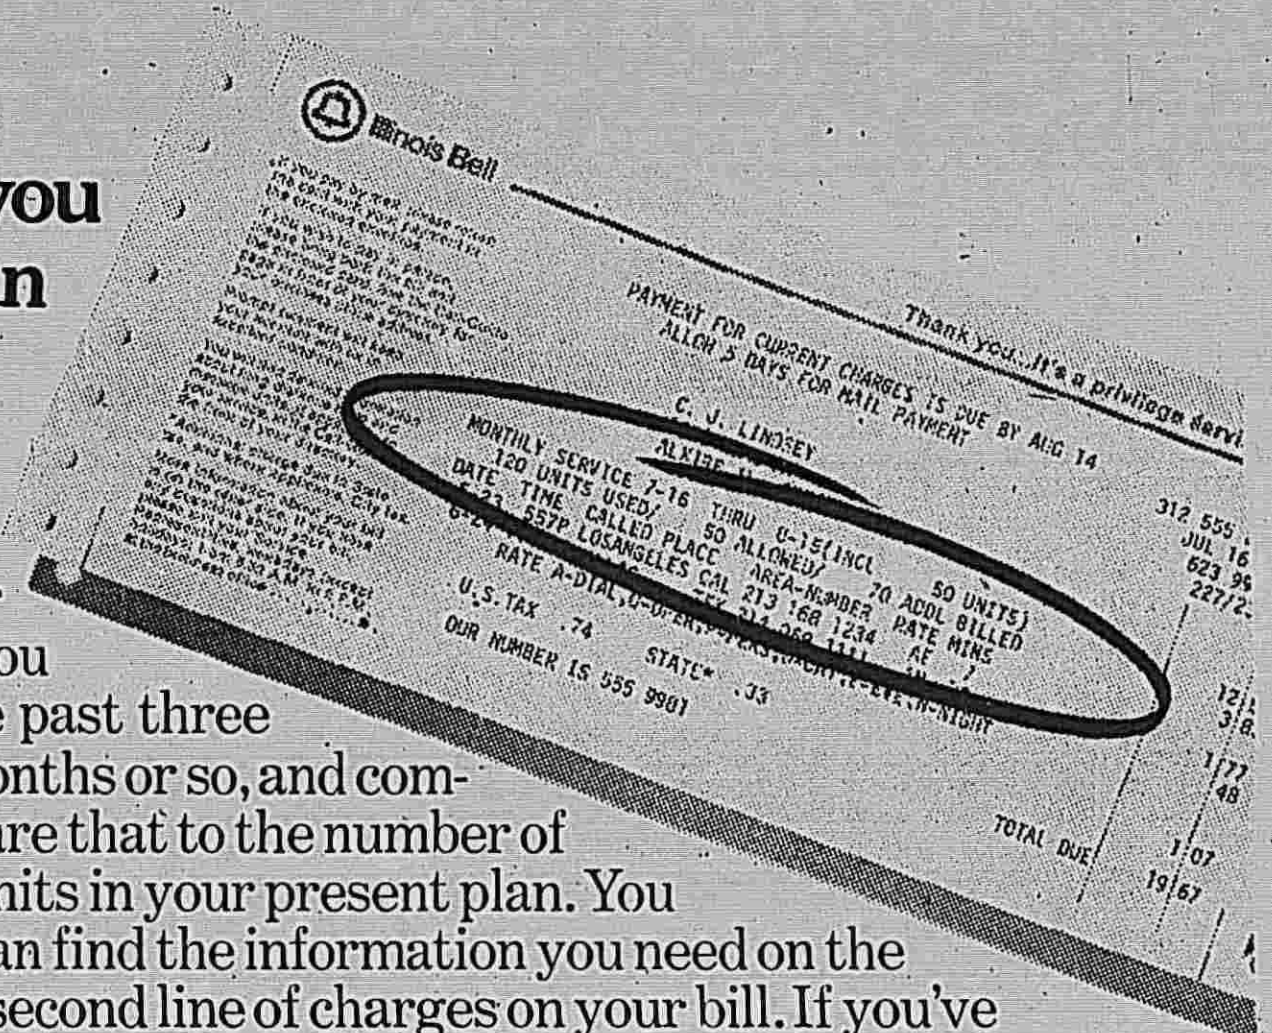

## 4. You can get more detailed information.

Just clip out the coupon, fill it out and send it to Illinois Bell. In return, you'll receive the free folder, "How to save money on your Chicago area calls...." The folder has specific information to help you choose the most economical phone plan for your needs.

First check your phone bills, then send for your free folder or pick one up at your Illinois Bell PhoneCenter Store or public office.

If you should decide you need a different plan, you can arrange for the change through your Service Representative. There is no charge to make a change, and it could save you money.

\*Rates vary by community, and your rates may be lower.

Send to:  
Illinois Bell  
Box 4848  
Chicago, Ill. 60680

Decide for yourself which phone plan is most economical for your needs. Send for the free folder, "How to save money on your Chicago area calls...."

Kneeling from left: Ron Cunningham, Bonnie Wertz, Sherry Clawson, Karen Wertz, Judy Wertz, Norma Wertz and Kim Clawson. Standing from left: Mary Cunningham, Marlene Clawson, Charles L. Wertz, Dottie Wertz, Don Wertz, Bob Wertz and Paul Clawson.

## NAMES in the NEWS

ROY ZEMAN of Antioch is acting as co-chairman for the 1978 Crusade of Mercy employee campaign with co-workers at Commonwealth Edison Company's Zion Nuclear Power Station.

Zeman is helping to organize the annual charity drive whose 1978 company-wide goal is \$925,000. Last year, employee donations topped \$68 per person, and more than 6,000 employees pledged either one percent of their annual salary or one day's pay.

The Metropolitan Crusade of Mercy and other United Funds benefit more than 6 million persons in Chicago and surrounding communities. The charities provide counseling, day-care, specialized aid for the handicapped and elderly, emergency housing and other services.

NAVY Fireman John L. Young, son of Mike and Sharon Young of Rt. 3, Box 319, Antioch, has completed recruit training at the Naval Training Center in San Diego, Calif.

During the eight-week training session, he studied general military subjects to prepare for further academic and on-the-job training in one of the navy's 85 basic occupational fields.

John is a 1978 graduate of Antioch High School.

## All in the family were in T-shirts

The descendants of a family that came to Antioch in 1900 held a reunion last week.

The children and grandchildren of Charles and Dottie Wertz gathered at their home on route 173 near Tiffany Rd. It was the first time in 14 years the entire immediate family was together.

An outdoor picnic was held Saturday, with relatives and friends making a total of 63 celebrants. Then, on Monday, the 18 members of the immediate family all went to Marriott's Great America. On both occasions they wore T-shirts with the family coat of arms and the wording: "C.L. Wertz Family Reunion, 1978."

"THAT'S A GOOD PLACE for BJ Sports Center, which got us the T-shirts," said Marlene Clawson, one of the Wertz's daughters.

Marlene was here with her husband, Paul, and their children. They came from Savannah, Ga. Paul is a geologist.

Coming from Flagstaff, Ariz., was son Bob Wertz and his wife, Norma, and their children. Bob owns a Goodyear tire store in Arizona.

And vacationing here from Fort Lauderdale, Fla., were son Don and his wife, Judy, and their children. Don operates an auto wash service and supply firm in Florida.

The fourth child of Mr. and Mrs. C.L. Wertz is Mary Cunningham of Antioch. Her husband, Ron, is a member of the village board and operates a trucking firm here.

C.L. Wertz has been in the well drilling business in Antioch for more than 50 years and estimates he has "put in a little more than 3,000 wells here." He learned the business from his father, Wesley, who came here via the westside of Chicago and then Barrington. He started farming on the old Tiffany farm and then, in 1922, began the well drilling business.

Wesley's wife was the former Frieda Singer, who lived in Antioch for more than 70 years and passed away in 1973 at the age of 92. Known fondly as "Grandma Wertz," she worked at Pickard China for many years and was active in the Eastern Star and other local organizations.

THE WERTZ FAMILY REUNION was the important gathering of the clan, but there was another reunion too. Bob Wertz came from Arizona and Judy Wertz from Florida to attend the 20-year reunion of their Antioch High School graduating class. That was Saturday night in Mundelein.

Bob is a ham radio operator in Phoenix and his dad is a

## 'Worst storm' ruins things in basements

Continued from page 1

Saturday and part of Sunday pumping and cleaning the catch basins and "generally cleaning up the mess," Shepard said.

They are still picking up scattered brush caused by the tornado and high winds last Tuesday, and are helping pick up furniture and other items ruined because of flooded basements.

Particularly hard hit by the storm was Rittenhouse and Embree Lumber Co. at 315 Depot St. Owner Bud Seichowski said the rains caused in excess of \$50,000 damage when Sequoia Creek backed up and left eight feet of water in the basement and four feet of water in the east end of the yard.

"WHAT CAN I SAY? You can't blame it on one thing," he said.

Seichowski said similar flooding occurred to the lumber yard four years ago near its grand opening date and that the village engineer assured him "rains like that come once every 100 years."

Seichowski said he wanted to know, if those kind of rains come once a century, "how come it happened again, only four years later?"

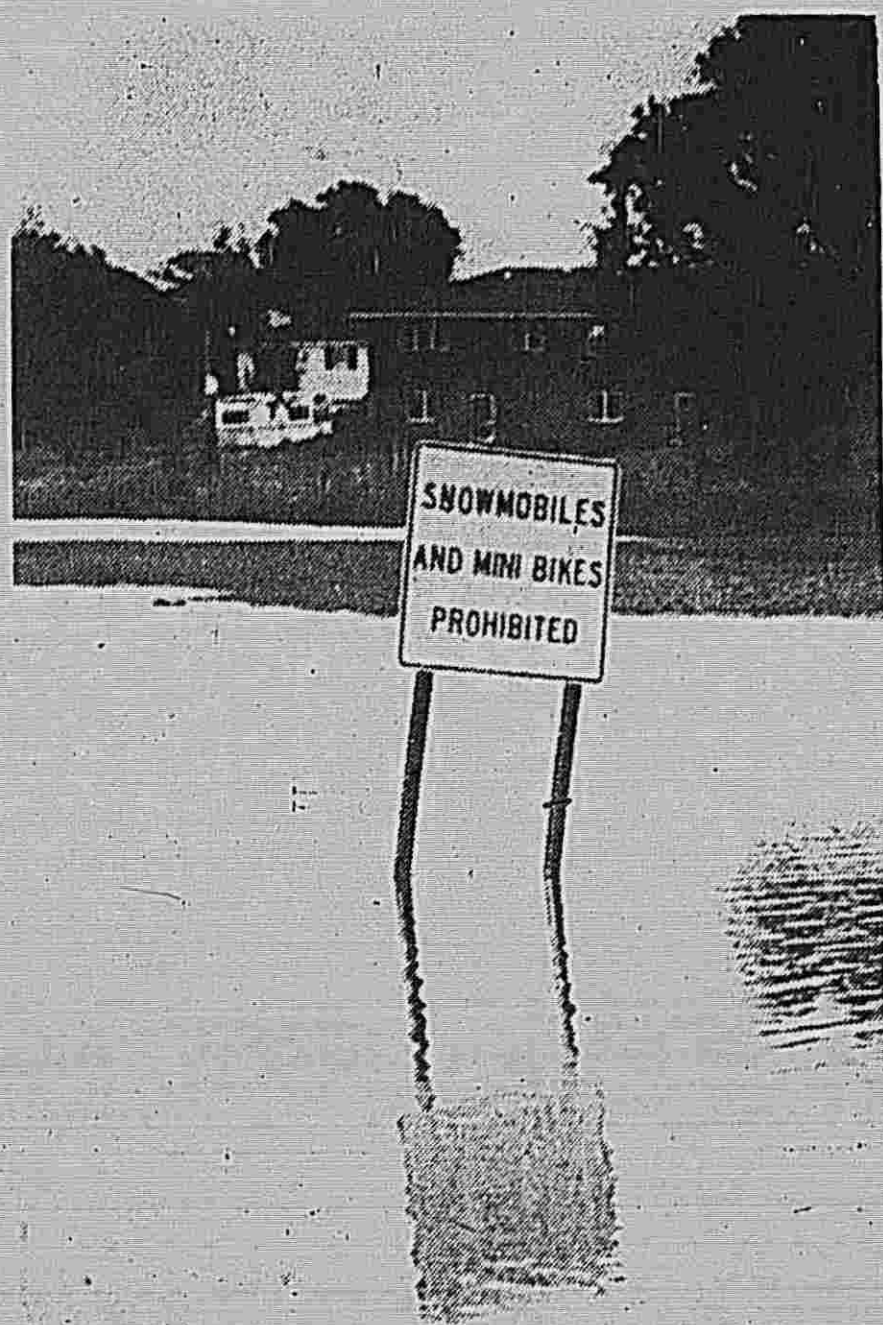

Bill Brook, president of the State Bank of Antioch, said his business, like a lot of other people, suffered water in the basement, only it seeped in through the carpet and was not visible.

"We worked all weekend vacuuming the rug," he said. "And we picked up about 800 gallons of water so far."

AMONG THOSE DISMAYED by Saturday's flooding, after Antioch had more rain than it could handle, were residents of Valley View Court. The Richard Mowen

residence is on the left and Mike Teeley's home on the right. (Photo by Andy Dugenske.)

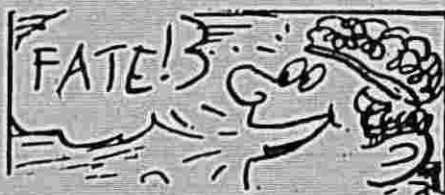

AFTER LAST SATURDAY'S early morning rainstorm, there wasn't much chance that this warning sign would be violated. (Photo by Andy Dugenske.)

TREES, SOME LARGE (like this one) and some small, fell against houses last Tuesday night when a violent wind and rain

storm hit Antioch and other nearby communities. This photo was taken Wednesday morning on North Main Street.

The word "fate" comes from the Latin "fatum" meaning "that which is spoken."

# THE Entertainer

50 YEARS AFTER they were in fashion, flappers returned to St. Peter's social center last Saturday to perform at the 50th anniversary Salad Bar Luncheon. From left: Nancy Neckerniann and Sheila Schroeder.

"THE ANDREWS SISTERS," portrayed by (from left) Eileen Zannini, Evelyn Freund and Loretta Schiffman, sang at St. Peter's 50th annual Salad Bar Luncheon last Saturday. They were part of the nostalgia included in an entertaining program prepared by Betty Hope.

## Happenings in and around our community

LAKE COUNTY senior citizens will hold their sixth annual summer get-together on Wednesday, Aug. 30, when the Lake County Senior Citizens Recognition Day is held at Lakewood Forest Preserve in Wauconda.

This year's event will begin at 10 a.m. with Boy Scouts raising the flag and a welcome by Forest Preserve District President George Bell.

A king and queen will be

chosen at random from among the senior citizens and there will be a fishing contest, paddleboat rides, games and free ice cream, popcorn and beverages.

Dancing music will be provided by two bands.

Ticket sales and locations for buses running to the forest preserve have been announced.

IN ANTIOCH riders will be picked up at the Antioch water tower parking lot

and tickets are on sale at the Antioch township office and at the Fun, Food and Friendship Center at the Upper Grade School.

The Chain of Lakes Senior Services will provide neighborhood pickup.

## Along the way with ANNIE MAE

RECEIVED A NICE LETTER from Louise Kaufmann, who has moved from Waukegan to El Dorado, Kans. She said:

"We have been subscribers to the News since 1941 when we lived in Antioch and will continue to enjoy reading the News while we are living in El Dorado."

How kind of her to write.

PAT SERSHON WAS THOUGHTFUL enough to drop us a line and say she is benefitting from the ads she and her husband Bill are running in the Antioch News.

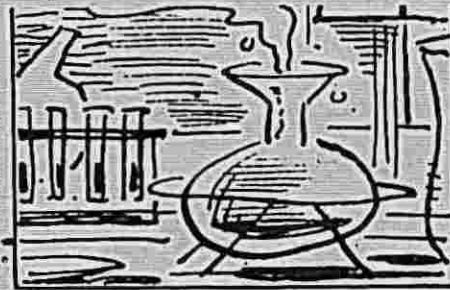

Pat operates Main Secretarial services in the Heritage Office Building and Bill does piano tuning and repair. See our business and service directory for more info.

If you're interested in art, stop at Pat's office, 800 N. Main St., and see the LeRoy Neiman poster she has added to her collection. Pat is working with some local people to establish an art gallery in the area.

Hear tell Main Secretarial is doing well, and no wonder - considering Pat's ability and personality.

LOTS OF RELATIVES and friends showed up Sunday at John and Stazie Mulac's home in the California subdivision. It was a surprise 80th birthday party for Stazie. What a delightful outdoor setting for a lawn party, and what a delicious buffet!

John and Stazie will be married 59 years on Aug. 31.

The first synthetic gene was manufactured in 1970 by Indian-American biochemist Har Gobind Khorana, a Nobel Prize winner in medicine.

"Goodbye Tootsie," and hello again Al Jolson! Alex Apostol did the impersonation at St. Peter's nostalgic Salad Bar Luncheon last Saturday.

### Ann Carpenter visits Women of the Moose

The August business meeting of the Women of the Moose last Thursday had 40 members in attendance.

A long-time member, Ann Carpenter, visiting from her home in Florida, was welcomed. She had resided in Antioch and was an active member before moving a couple of years ago.

The August birthday members were presented gifts. They included Anita Wisniewski, Dorothy Tralowski, Sherrie Lovell, Pearl Roach and Carla Gasperini.

Senior Regent Judith Kelly announced that the state convention in Peoria will conflict with Antioch's first meeting in October. Therefore, the Mooseheart Chapter Night is set for Oct. 12.

After the next meeting, Sept. 7, the social service committee will have a bake walk.

The national language closest to English is Dutch.

## Astro-Analysis

By Sonia

**ARIES** [March 21-April 19] - Let mate have some leeway with business decisions; curtail your own assertive nature for the present. Your abilities in playing the diplomatic role can now be appreciated.

**TAURUS** [April 20-May 20] - Advanced studies offer a whole new realm of thought; matters which have been perplexing now can be effectively cleared away.

**GEMINI** [May 21-June 21] - Maintain peace and harmony on the homefront while enjoying new recreational interests as well. Show your dynamic business know-how.

**CANCER** [June 22-July 21] - You're inclined to confide in close kin about intimate matters; use the opportunity to strengthen communications. Important mail could change plans.

**LEO** [July 22-August 21] - Your energetic creativity could help to add to personal resources; keep momentum going at full speed. Relatives can give helpful advice.

**VIRGO** [August 22-September 22] - If impatience can be curbed you maintain complete control where goals, ambitions are concerned. You meet with success by applying stability.

**LIBRA** [September 23-October 22] - Be choosy about the company you keep; some associates tend to gossip. Delays could be advantageous as impulsiveness leads to mistakes.

**SCORPIO** [October 23-November 21] - Show productivity with job; you show more initiative in personal affairs now. Plan some social activities that lend a change-of-pace to present routine.

**SAGITTARIUS** [November 22-December 20] - Business interests are heightened so keep alert for exciting new opportunities. This can be an active, prosperous week if Good advance planning is applied.

**CAPRICORN** [December 21-January 20] - Intuition can be relied upon; cooperate with partner where joint money matters are concerned. Your abilities in handling resources and expenses are in demand now.

**AQUARIUS** [January 21-February 19] - Your optimistic attitude can be inspiring to others, aids in achieving your own long-range goals. Contact kin from out of town, make plans to travel.

**PISCES** [February 20-March 20] - Reserve some time from a busy schedule for some quiet meditation; new perspective is gained by a slower pace. Intellectual matters are appealing to you.

## Names in the NEWS

Michael J. Ditzig, son of Mr. and Mrs. Michael Ditzig of Grass Lake, was elected master counselor of Millburn Chapter, Order of DeMolay at a recent meeting.

Other elective officers include Ray Schroeder, Waukegan, and Brett Drake, Zion.

The young men, along with the appointive officers, will be installed in special ceremonies at the Millburn Masonic Temple on Saturday at 7 p.m.

Craig Burr, state master counselor of Urbana, Ill., and members of the state installing team will be installing officers. Dan Fountaine of Gurnee, past

MICHAEL J. DITZIG

master counselor of Millburn chapter will be master of ceremonies.

Millburn Chapter was established in 1957. For information on becoming a member of this Masonic organization, call Mick Ditzig at 395-1040.

## All about town ...

By LINDA WALKER

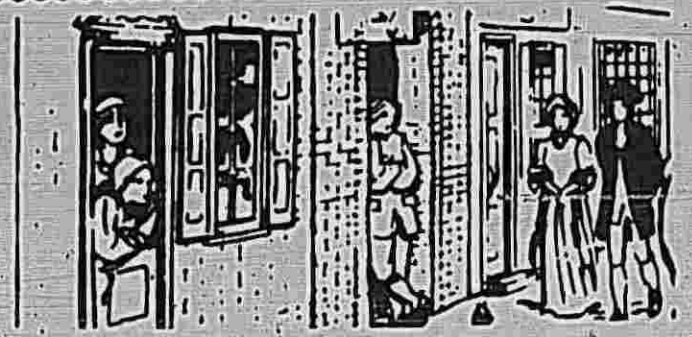

Ask any Mother how she spells relief, and I'll bet she'll say S-C-H-O-O-L. Most schools around the area will be starting sometime next week.

That means you'd better get busy and do some shopping for the upcoming event. One good way to start is this Thursday when the Antioch Chamber of Commerce and Industry sponsors Moonlight Madness. It's the final sale of summer merchandise with prices greatly reduced.

There's all kinds of fun too ... clowns to greet the youngsters, and the pajama contest. Yours truly will be under the water tower selling tickets for the used car raffle. Stop by and say Hi.

THE BULLDOZERS are working overtime at Nor-Mal International. They are clearing a large area next to the IHC dealership in order to erect a new steel building.

Max Malone, one of the owners, said "the additional

space is necessary for storing machinery and to set up new equipment."

The present building is just not big enough for the growing industry.

Construction is scheduled to begin in several weeks with a tentative completion date set around the first of November.

WELCOME BACK, GEORGE! George Hiropoulos, one of the owners of the Antioch Restaurant had an auto accident and broke his arm. That left him unhelpful at the well-known eating place, so George took a trip to his homeland, Greece.

He's now back from Europe, his arm is moving again, and those famous breakfast specials are tempting your appetite. Whether you like pancakes, eggs or french toast served with ham, bacon or sausage, they have the right combination with the right price for you. It's really too good to pass up.

TED AND JOSEPHINE Ozga have put the closed sign in the window at their restaurant at Ted's State Line.

After 20 years as chef, waitress and dishwasher, Josephine finally retired and is enjoying her well-deserved rest, relaxing and taking life easy.

Makes you want to put a halt to working, doesn't it?

I HAVE THIS excellent poster in my office. It carries a message from the heart about my job, besides being a gift from Bob at Rittenhouse and Embree, and somebody keeps stealing it.

Right now it has totally disappeared. I don't know which of my co-workers is a thief, but if it is neatly replaced, there will be no questions asked. However, if that fails to happen, then I'm going to be forced to boycott.

## Wertz family has terrific reunion

Continued from page 10

"ham" enthusiast here. Once in a while they have been able to communicate on their radios. So, C.L. built a 45-foot tower for the occasion of the reunion. Shortly after the entire family got together, last Tuesday night's storm came along and blew over the tower.

C.L. Wertz shrugged off the loss. After all, he could look around and see all of his gains in those 17 other T-shirts.

# Antioch men's tennis champs are crowned

The 1978 Antioch Men's Open tennis tournament closed out its action Sunday with four champions in two divisions.

In the men's 18-29 division finals Dennis Korjenek defeated Bob Nasenbeny 6-3, 6-4.

Korjenek advanced to the finals after defeating Mike Wright 6-3, 1-6, 6-4, and Nasenbeny defeated Larry Kitterman 6-0, 6-0 in the other semifinal bracket.

In the Men's 30 and over division finals Telft Smith downed Tom Holmquist 6-0, 6-2.

Smith beat Harold Lipske 6-1, 6-0, and Holmquist nipped John Eslinger 6-1, 5-7, 6-0 in semifinal play.

**IN DOUBLES ACTION** Korjenek teamed up with Nasenbeny to down Mark Mondrowski and Mike Wright 6-3, 6-1 in the

men's 18-29 division final.

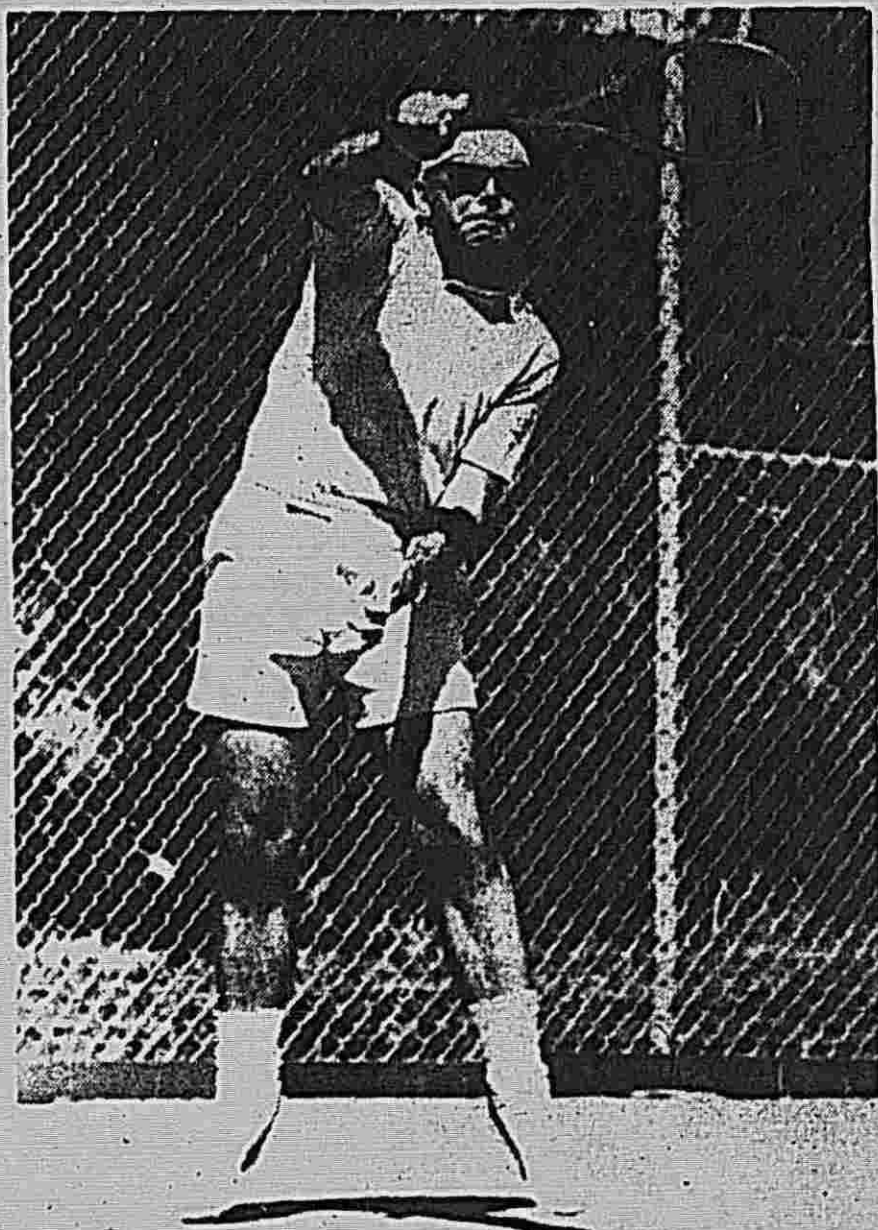

Mondrowski-Wright downed Bill Wisner and Dave Pucin 6-2, 6-2 and Nasenbeny-Korjenek beat Jeff Peterson and Chris Sulma 6-1, 6-1 in the semifinals.

Ben Floyd and John Eslinger defeated Harold Lipske-Ray Saberson 6-2, 6-1 in the men's 30 and over doubles final.

Floyd and Eslinger advanced to the finals with a 6-2, 6-2 win over Tom McKenna-Rich Hosier. Lipske-Saberson edged Dyer-Gehrke 6-0, 6-4 in the other semifinal bracket.

**THE ANTIOCH PARKS and Recreation department, along with the Antioch News and Foremost Liquors, sponsored the tournament.**

Matches began Friday and Saturday with the finals on Sunday.

**RUNNERUP IN THE** singles class for men 30 and over was Tom Holmquist.

**RETURNING A SHOT** with perfect form is Bob Nasenbeny, runnerup in the 18 to 29-year-old singles division of the 1978 Antioch Men's Open tennis tournament.

# 'Kickoff Day' to launch football season Sept. 2

Antioch High School's football season actually starts on Saturday, Sept. 9, with an interesting home game against Hoffman Estates.

But the fun really begins the previous Saturday, Sept. 2, when Steve Wapon, the new head varsity coach, holds the Sequoits' first "football kickoff day."

Kickoff day starts at 9 a.m. and lasts until nearly 4 p.m. It includes all facets of the community's football program.

WAPON HAS ARRANGED for the Antioch Vikings, grade school players who hope to be Sequoits someday, to hold scrimmages at 9:30 and 10 a.m. Photographers will start snapping pictures at 9 a.m. when the Vikings appear on the field in full uniform.

Picture taking sessions will follow throughout the day for freshmen, sophomores and high school varsity players, followed by the cheerleaders, colorguard, pom-pom girls and the Sequoia marching band.

High school freshmen will scrimmage at 10:30 a.m. and sophomores at 11:30. A kickoff day program is scheduled at 1 p.m. and then the varsity scrimmage at 2 p.m.

THE ALL-DAY INTRODUCTION to Antioch's football

program should attract a lot of fans to the high school field. The concession stand will be open from 9:30 a.m. until 3 p.m.

Wapon sees "kickoff day" as a way of introducing fans to the groups involved and getting them a little excited about the season.

A five-day football camp for varsity candidates is being held this week, through Friday. The players are working on playing skills, attending lectures, studying films and doing mental work on both offense and defense.

The camp includes breakfast and lunch at school with the players' mothers helping to prepare the meals in the school's home economics area.

SEASON PASSES. GOOD for the Sequoits' five home games, are now being sold. An adult pass costs \$6 (the normal price of four games) and includes a plastic I.D. card for convenient entrance to the home games. It also includes a free "bumper" and "spirit" sticker. Season pass holders will have first priority to purchase state playoff tickets for any games in which Antioch might participate.

A student pass for the five home games costs only \$3 and includes the same privileges described in the paragraph above. Applications for season passes are available at the high school.

The five home games, all on Saturday afternoons, are against Hoffman Estates Sept. 9, Woodstock Sept. 16, Lake Zurich Sept. 30, Wauconda (homecoming) Oct. 21 and Grant Nov. 4.

## Antioch trapshooter hot in Grand American event

VANDALIA, Ohio — "Everybody gets lucky," said Reg Jachimowski of Antioch, Ill.

Jachimowski broke 100 straight targets from the maximum handicap distance of 27 yards Friday, to win the 79th annual Grand American Handicap, the largest trapshooting event in the world.

"I got a piece of quite a few birds," he said, "but they all count. Everybody has his day once in a while."

Jachimowski, 33, an X-ray technician at Hines Veterans' Hospital near Chicago, is the first shooter to ever win the Grand American from the maximum handicap yardage. The previous record was set in 1933 by Walter Beaver, Berwin, Pa., who won it with

98 from 25 yards, the maximum distance in that era.

According to the options played, the victory could be worth as much as \$10,000 to Jachimowski.

Jachimowski shot with a 1928 model .12.

"I have had pressure before on things of importance to me," he said. "As I got near the end, I thought 'this may be your only chance to get 100.' So I controlled the pressure. Sometimes you do, sometimes you don't."

Deadlocked one target behind him were four shooters — Frank Sheehy Jr., Cedar Lake, Ind., shooting from 21 yards; Roy Thiel, St. Catherine's, Ontario, Canada, from 21 1/2 yards; James Chapman, Grosse Point Woods,

Mich., from 23 yards, and James Starner, Bucyrus, Ohio, from 23 1/2 yards.

Jachimowski also broke the tradition that winners of the grand are relatively unknown in trapshooting circles. He was an all-American in 1976 and has been named to the all-American second team two other times. He has a 99 average in singles.

"I've been under a lot of pressure to do other things this year, and I haven't had the chance to shoot as much as I would like," he said. "I have always had trouble at the grand, however, and I've had a physical hangup — my hay fever. But this year was nice."

The whale shark, largest of all fish, reaches 50 feet in length and a weight of 20 tons.

### Named 'Coach of Year'

Ron Hellstern, a former Antioch resident, was selected as "Basketball Coach of the Year" by the coaches and sportswriters of Idaho's 5th District.

Hellstern's Marsh Valley Eagles won the Southeastern Idaho conference championship, went undefeated in the district tournament and earned a berth in the state tournament where they finished the year with a 21-6 record and a third place trophy.

He has compiled a 10 year win-loss record of 178-52.

Hellstern recently resigned his position as coach and announced that he will be teaching seminary

RON HELLSTERN

classes for the Church of Jesus Christ of Latter Day Saints (Mormons) at Marsh Valley.

He and his wife, Helen, have five sons and live in Arimo, Idaho.

### Collins drives to 13th feature win

Antioch's Don Collins padded his late model point lead by winning the 25-lap feature last Saturday at Waukegan Speedway.

Alex Petropoulos widened his hobby stock point lead by winning the 12-lap main event.

Mike Bicanic led the first three laps of the late model feature, until he spun in a turn, giving Chuck Bostick top spot. Bostick led the next two laps with Collins taking over on lap six and building up a large margin of victory enroute to his 13th feature win of the year.

Ron Shearer finished second with Bostick, heat winner Danny Brown and Mike Frost rounding out the top five.

FRANK DOWELL SET fast time with a 17.98 lap as Antioch's Tom Homan won the trophy dash.

Sunday's 25-lap feature was won by Bill Shaffer of Waukegan on Dixon Automotive Night.

Ron Shearer won the late model feature and Jerry Mass won the Hobby Stock headliner.

George Hildman led on lap one of the late model main event with Glen Rademaker showing the way the next lap. Collins moved on top on lap three and appeared headed for an easy win when he suddenly pulled into the infield with engine trouble on lap six. Shearer took over and went on to victory with heat winner Mike Frost and C.J. Lindholm following.

# Lions' trapshoot is an autumn tradition

By JIM KNIGGE

Turkey shoots in autumn are an American institution handed down from colonial times. The Lions Club of Antioch's annual Safari Trap Shoot is also a tradition in the Antioch area.

Bill Brook, chairman of the club's trapshoot committee, says this year's shoot will offer a variety of events and activities of interest to all sportsmen and their families.

Several events are planned in order to give first-time shooters an even chance to win. A detailed description of these events will be explained in an article to be printed the week before the Sunday, Sept. 10, trapshoot takes place.

THE HISTORY OF turkey shoots has been traced to the frontiersmen of early America. These settlers relied heavily on their firearms and hunting abilities to provide food, clothing and protection.

It followed that their recreation was derived from their skills in the field. Shooting contests were organized and often a turkey was awarded to the best marksmen, hence the name.

Muzzle loading rifles were used and the contestant who shot a ball closest to an "X" marked on a plank was the winner.

Incidentally, no one ever shot a turkey at a turkey shoot.

MODERN-TURKEY shoots are held at trapshooting ranges and are as much social gatherings as tests of shooting proficiency. Hundreds of sportsmen's clubs throughout the United States hold turkey shoots and provide thousands of shooters an opportunity to enjoy the sport.

Shotguns are the firearm of the day at a turkey shoot. Most competitors prefer a 12 gauge shotgun; however, many good scores have been broken with 16, 20 gauge and even the .410 bore scattergun.

The object of the game is to break more clay targets than any of the other four contestants on your squad. Each person fires at one target from each of five shooting positions located 16 yards behind the trap or thrower.

A VARIETY OF PRIZES are awarded at turkey shoots. Turkeys, of course, plus chickens, hams, ducks and merchandise of all kinds are presented to the shooter who breaks the most targets.

Turkey shoots in general, and the Lions Club Safari Trap Shoot in particular, offer the shooter, experienced or beginner, a chance to spend a day enjoying a sporting event with family and friends.

TRAPSHOOT COMPETITION is typified in this photograph. Autumn is "turkey shoot time" and that means the Lions Club Safari trapshoot is coming up Sunday, Sept. 10, at the Northern Illinois Conservation Club range just west of Antioch.

enter at either course

Orchard Hills or

Bristol Oaks from 4 to 8 p.m.

# Antioch Open deadline is only 9 days away

Spring Valley Country Club, always an excellent test of golfing ability, will be the site of the third annual Antioch Open tournament on two Sundays, Sept. 10 and Sept. 17. The deadline for entries is just nine days away - Friday, Sept. 1.

Twelve golfers already have signed up and another 60 or 70 are expected before the deadline. All of those who competed last year have been mailed entry blanks.

Already signed up are:

Championship class, for those who shoot in the 70s - John Wagner, Rich Higgins and Dennis Korjenek Sr.

Class A, for those who shoot in the 80s - Tom Lasco, Dean F. Schultz and Jon Lasco.

Class B, for those who shoot in the 90s - Gene Barth, Mitch Lasco, Joe Dominas, Ronald J. Vickers, Tom Banwart and Lloyd E. Banwart.

THE CHAMPIONSHIP FLIGHT was won by John Roach in 1976 and Chris Marszalek last year. Marszalek, a young pro, is no longer living in this area and Roach has indicated he doesn't plan to try for another title.

Higgins finished second to Roach in 1976 and was fourth last year when Marszalek won.

Korjenek won Class A last year with rounds of 78 and 77, so he is moving into the championship flight this season. Wagner is the owner of the Spring Valley course.

AN ENTRY BLANK appears on page 16 of today's paper.

Golfers will begin teeing off at 11 a.m. on each of the two Sundays. It is a 36-hole tournament with 18 being played each day.

The Antioch News sponsors the event with the cooperation of Spring Valley Country Club.

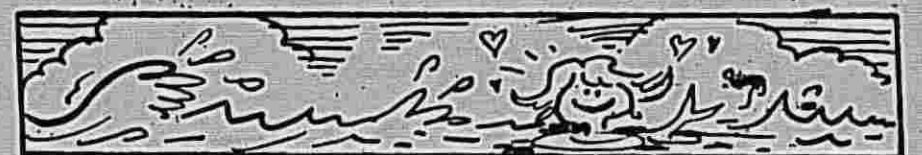

LAST YEAR A TOTAL of nine trophies and \$375 in gift certificates were given to the top players in a 68-man field.

All proceeds are returned in the form of prizes.

The tournament is restricted to golfers 16 years of age and over, who either live or work in the townships of Antioch, Lake Villa and Salem. Golfers can either walk the course or ride power carts.

The tournament committee includes Pres Reckers, Rich Higgins, Jack Fields, Mike Haley, Bill Nauman, Jerry Pfarr and Dennis Korjenek Sr.

It is now generally believed that seals with their human-like faces were the factual basis for many stories about mermaids.

## JP's WEEKLY SPORTS QUIZ

Brought to you by John Prill  
and LYONS-RYAN  
FORD LINCOLN MERCURY

At 6 feet 10 inches and 255 pounds, he seemed more suited for the NBA, but he played tight end for the Kansas City Chiefs in the early 1970's. Who is he?

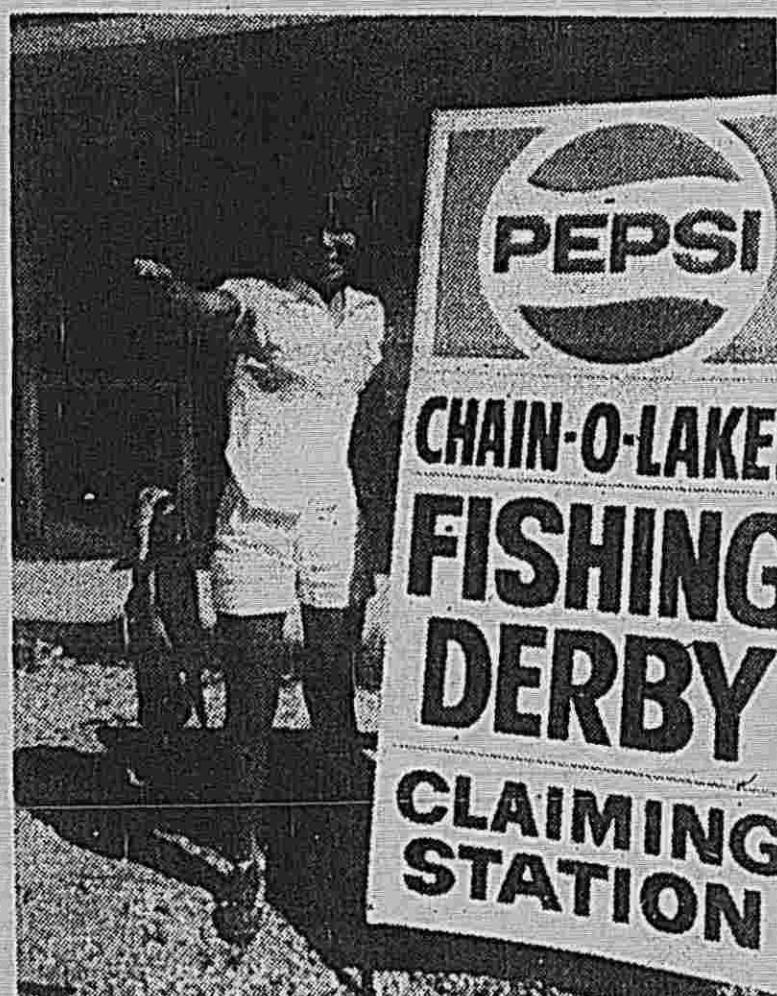

First correct caller after 6 p.m. on Wednesday is weekly winner.

This week's prize: Oil Change Filter, Grease  
Answer will appear next week along with the week's winner.

Be a Winner on the Sports Quiz  
or on a Great Deal on a New or  
Used Car or Truck

# 395-3900

Last week's winner: Richard Koenig and Robert  
Weber of Antioch  
Answer: Rico Carty

Displaying her catch in the  
Chain o' Lakes Fishing Derby is  
Caryn Ciwaoka, who caught the  
fish on Lake Marie and registered  
at Rudy's Big Piney Resort.

# Grade schools to get rates on supplies

By LINDA BARNES

Antioch's District 34 Grade School board has voted to enter into a joint purchase agreement with the state of Illinois for the 1978-79 school year.

This was decided at last week's school board meeting.

With the agreement, bids will be made available to the district for certain goods and supplies which are sold by the state at reduced rates.

The only condition of the agreement is that the board inform the state of its yearly purchases so that the state becomes aware of the volume of business being carried on throughout Illinois.

Also at the meeting, the board voted to upgrade substitute teacher rates for the 1978-79 school year.

**SUBSTITUTE TEACHERS** in the district will now be paid \$30 per day, as opposed to the previous daily rate of \$27.50. This will make Antioch's rates consistent with those of surrounding school districts.

The 1978-79 school calendar was modified in accordance with a state law which requires school districts to adopt the federal holiday policy of observing Memorial Day on the last Monday in May.

Memorial Day will be observed within the district on May 28, 1979. May 30 will be a normal student attendance day.

**THE BOARD ALSO VOTED** to continue its participation in student teaching programs for the upcoming year.

The resignation of Mr. David Power,

general music teacher at the Upper Grade School, was accepted by the board.

Mr. Power's resignation was handed in quite late, and this sparked some discussion among board members as to the fairness of this practice to the school system.

Mr. Bruce Jablonski, board member, said he felt some type of measures should be taken against teachers who resign shortly before the commencement of the school year. For example, Jablonski suggested lifting the teacher's certification for one year.

**NO DEFINITE ACTION** was taken on Jablonski's suggestion, but a number of members agreed to the detrimental effects which this sort of practice has upon the school system as a whole.

Mr. Charles Read, of Insurance Management Bureau, Dayton, Iowa, spoke at the meeting. He had been invited by the board to provide outlines and explanations of the services offered by his bureau.

Mr. Read, an insurance consultant, is employed by a number of school districts in the area, including Antioch Community High School. Through his analyses and evaluations, the board hopes to clarify the district's insurance policies and reduce its premiums.

The board unanimously voted to hire Insurance Management Bureau for one year at the annual rate of \$2,000.

An executive session followed for purposes of discussing negotiations and legal problems.

## Little League stars triumph in tournament

Antioch had an unusually talented group of Little League Baseball players this season and they proved it again by winning last week's Bob O'Farrell tournament in Waukegan.

After losing its first game, Antioch's tournament team came back to win the title by sweeping the final two games from Mt. Prospect, 2-1 and 5-2.

There were 16 teams in the tournament.

The first game against Mt. Prospect went into eight innings with Frank Mahar singling in Dan Berkiet with the winning run.

In the second game, Antioch scored two runs in

each of the first two innings before the game was called in the fourth because of tornado warnings. Mt. Prospect elected not to come back to complete the game, so Antioch came away with the tournament title.

In the first game, Mahar struck out four while retiring Prospect's first nine batters. But because of a rule allowing a pitcher to work not more than seven innings in a day, Antioch Manager Dick Petersen decided to save Mahar for the possible second game.

Andy Lehn relieved in the sixth and faced only nine batters through the eighth.

With the score tied 1-1,

Mahar singled in what proved to be the winning run.

Lehn, who had finished on the mound for Antioch in game one, remained to start the second game and pitched until the fourth when John Silianoff came in to mop up.

"Andy did an outstanding job the whole tournament for us," said Petersen. "I'd have to say he was the turning point Sunday (a 6-1 Antioch win) was the first time he had pitched. He didn't pitch all year in Little League."

Said Petersen: "We had three real strong pitchers and a fourth did a good job for us."

## Legal Notices

**ANNOUNCEMENT OF INTENT TO PERFORM FLOOD ELEVATION STUDY.** The Federal Insurance Administration of the U.S. Department of Housing and Urban Development announced today that under authority of the National Flood Insurance Act of 1968 (P.L. 90-448), as amended, and the Flood Disaster Protection Act of 1973 (P.L. 93-234), it will fund a detailed study of the flood hazard areas in the Village of Antioch. The study will be performed for the Federal Insurance Administration by the USDA, Soil Conservation Service, Champaign, Illinois. The purpose of this study is to examine and evaluate the flood hazard areas in the community which are developed or which are likely to be developed and to determine flood elevations for those areas. Flood elevations will be used by the community to carry out the flood plain management objectives of the National Flood Insurance Program. They will also be used as the basis for determining the appropriate flood insurance premium rates applicable for new buildings and their contents, as well as determining the rates to be used for the second layer of insurance on existing buildings and contents. This announcement is intended to notify all interested persons of the commencement of this study so that they may have an opportunity to bring any relevant facts and technical data concerning local flood hazards to the attention of the Federal Insurance Administration for consideration in the course of this study. Such information should be furnished to Michael Haley, Mayor of the community, for forwarding to FIA. Daniel E. Holmes, State Conservationist, USDA, Soil Conservation Service, Champaign, Illinois 61820.

### CLC News

The College of Lake County has scheduled review courses to help persons prepare for the Illinois real estate licensing exam.

Two separate real estate exams, the broker's and the salesmen's exam, are administered at CLC by the American College Testing Service on the third Tuesday of each month.

A day-long workshop will be held at the college from 8:30 a.m. to 4:30 p.m. on each Saturday preceding the scheduled licensing exam.

In addition, a three-hour broker's review course will be offered from 7 to 10:30 p.m. on each Thursday preceding an exam.

Practice exams will be given by the instructor at each review course. To qualify for either credit-free course, a person must have completed the pre-license real estate course at CLC or another approved school.

The first broker's review course is scheduled at the college Sept. 14, and the first salesmen's workshop will meet on the campus Sept. 16. The next real estate licensing exam will be given Sept. 19.

The world's largest non-profit scientific and educational institution is the National Geographic Society, founded in 1888.

## OBITUARIES

### Herbert L. Dreyer

Mr. Herbert L. Dreyer, 75, of Rainbow Lake Manor near Antioch passed away on Thursday, Aug. 17 at American International Hospital in Zion, after a long illness. He was born on June 30, 1903, in Chicago and had lived in Grayslake for 15 years before moving to Rainbow Lake Manor 9 years ago.

Mr. Dreyer was a mechanical engineer for the Wells-Gardner Radio and TV Co. until his retirement 10 years ago. He married Mildred Elliott on July 15, 1924.

Survivors include his wife Mildred, one daughter Mrs. Doris (Warren) Unrath of Niles, two brothers, Raymond of Fox Lake and Everett of MO., three grandchildren and one great-grandchild.

Funeral services were held Aug. 19 at the Strang Funeral Home, Antioch with the Rev. Stephen Williams of the Antioch United Methodist Church officiating. Interment was private.

### Theadora A. Nering

Mrs. Theadora A. Nering, 90, of Volman Subdivision, Antioch passed away on Monday, Aug. 14 at her home. She was born on Nov. 9, 1887 in Chicago and lived there and in Germany before moving to Antioch 30 years ago.

Mrs. Nering was a member of St. Peter's Catholic Church in Antioch.

Survivors include four daughters, Mrs. Eleanor (Sid) Solberg of Libertyville, Mrs. Betty Tomiak of Chicago, Bernice Nering of Pittsburg, Pa., Mrs. Blanche (Stanley) Zaleski of West Palm Beach, Fla., 8 grandchildren, 22 great-grandchildren, and two great-great-grandchildren. She was preceded in death by her husband, Anthony Nering on Oct. 9, 1957, one daughter Grace Garrick on July 21, 1978, one grandson, Wayne Solberg and one great-granddaughter, Monica Dorsen.

Funeral Mass was held Thursday, Aug. 17 at St. Peter's Church, Antioch, with the Rev. Francis Johnson officiating. Interment was in Ridgewood Cemetery in Des Plaines. Friends called at the Strang Funeral Home in Antioch on Aug. 16.

### Dorothy M. O'Malley

Dorothy M. O'Malley, 57, of Warriner Shores Subdivision, Antioch, and Park Ridge, Ill. died Tuesday, Aug. 15, at her Park Ridge home after a lingering illness.

She was born in Urbana, Ohio, on Aug. 17, 1920.

She is survived by her husband, Patrick E.; two daughters, Jo Anne M. (William) Dempsey, and Diane (Clinton) Van Zant; four sons, Patrick E. (Andrea), Jr., Michael K. (Mary), Timothy J., and Robert D.; seven grandchildren, Colleen, Theresa, Patrick, and Mary Beth Dempsey, and Jeffery, Jennyren, and Bret Van Zant. She was the daughter of Ellen P. (Frank) Reekie and the late Earl M. Johnson, and was the sister of Eugene W. (Donna) Johnson. She was preceded in death by a daughter, Lynn Ann O'Malley, and by a grandson, William C. Dempsey, Jr.

Friends called Thursday and until time of service at 10 a.m. Saturday from Barr Funeral Home, 6222 N. Broadway, Chicago, to Mary Seat of Wisdom Church, Park Ridge, for the Mass of the Resurrection. In lieu of flowers, donations to the American Cancer Research or to the charity of your choice would be appreciated. Arrangements were handled by Barr Funeral Home, Colonial Chapel, 532 Lake St., Antioch.

### M. Helen Kolas

Mrs. M. Helen Kolas, 67, of Paddock Lake, Wis., passed away Tuesday, Aug. 22 at Kenosha Memorial Hospital. She was born Apr. 17, 1911 in Hungary and lived in Chicago for many years before moving to Paddock Lake in 1966.

She is the daughter of Anna and the late Paul Kaiser. Member of St. Scholastica Church, Bristol. She married Steven Kolas on June 14, 1952 in Chicago.

Survivors include her husband Steven; her mother, Anna Kaiser of Paddock Lake; one sister, Mrs. Rose (William) Greenwald of Paddock Lake. She was preceded in death by one brother and one sister.

Funeral mass will be held at 10 a.m. Friday, Aug. 25, at St. Scholastica Church in Bristol. Rev. Francis Jordan will officiate. Interment will be in St. Scholastica Cemetery. Friends may call at the Strang Funeral Home, 1055 Main St., Antioch, from 3 til 9 p.m. Thursday. A vigil service will be held at the funeral home at 8 p.m. Thursday.

of Antioch.

## 2 promotions at State Bank

William E. Brook, president of the State Bank of Antioch, announced that the board of directors has promoted Mrs. Maryanne

MARYANNE KAHT

Kaht and Mrs. Marcia Fox to assistant cashiers.

MRS. KAHT HAS BEEN a member of the State Bank staff for four years, having worked as a teller prior to joining the mortgage loan department.

Maryanne is a graduate of East Leyden High School in Franklin Park, and has completed numerous courses at the American Institute of Banking as well as real estate-related courses at the College of Lake County.

She recently attended the National School of Real Estate Finance sponsored by the American Bankers Association in cooperation with Ohio State University.

Maryanne's husband, Henry, is chief engineer for the Squire Cogswell Company in Northbrook, a manufacturer of industrial and medical compressed air and vacuum systems.

They live at 24127 Bayview Drive in Antioch township with four of their five sons, Keith, 19; Glenn, 17; Phillip, 14; and Bill, 10. Their oldest son, John, was recently married and he and wife, Denise, reside in Waukegan.

Mrs. Kaht is a member of St. Peter's Church. She is secretary of the Northern Illinois Conservation Club and a member of The Nature Society, occasionally having written articles for the society's publications.

MARCIA FOX HAS BEEN a member of the State Bank staff for nine years, having worked most of those years in the loan area as supervisor of the installment loan tellers.

Marcia is a graduate of Antioch High School and has completed various courses through the American Institute of Banking.

Last October she finished the required courses and received her basic certificate in the Foundation of Banking from the American Institute of Banking.

She is a member of the Northeastern Bank Women's Association.

For the past four years, Marcia has managed the State Bank Girls 16-inch softball team.

Marcia's husband, Glenn, is employed by Johnson Motors in Waukegan. They have one son, Timothy Edward, who is 4½ years old.

MARCIA FOX

## Citizens complain about their flooded basements

Continued from page 2  
water and correct the situation.

Mr. C.B. Olson, of Filtweber Court, claimed to have 5½ feet of flood water in his apartment building. This, he said, was strictly surface water.

Said Mr. Olson, who noted the increased amount of pavement in the village, "The situation is getting a little bit worse year by year because there is more pavement and less grass to absorb the water."

SOME CITIZENS CLAIMED that people are threatening to move out of Antioch due to the flooding problem.

Said Mr. Timothy Stack, "People around here are tired of complaining and they're going to move."

Mrs. Helen Wegner, of 560 Garys Drive, claimed to have had 11 floods in her home since January, 1977.

Said Mrs. Wegner, "I'm very interested in staying in the house, but if this keeps up, I don't know."

Mrs. Klaczak raised the question of whether the village has the "moral and legal right" to continue giving building permits for further housing construction until the present water problems are solved.

Said Mrs. Klaczak, "I don't think this is the type of community we want - with people moving in and out every year."

MAYOR MICHAEL J. HALEY recognized the people's complaints as legitimate. He said the village is presently spending over \$77,000 of federal money and over \$25,000 of taxpayers' money to investigate Antioch's water problems.

Mayor Haley said the biggest aspect of rectifying the situation was to prevent storm water from entering the sewer systems. Curbs, gutters and sumps are needed to collect storm water, especially in the Oakwood Knolls subdivision.

MAYOR HALEY AGREED with Joe Veith (162 Oakwood Drive) that part of the problem arises from homeowners who illegally hook up water pumps to the sewer system.

Said Mayor Haley, "This village is going to have to do whatever it takes within the law to make these people conform."

Hopefully, with an ordinance allowing authorities to investigate illegal sewer hook-ups, the board will begin to sort out the many factors contributing to the problem, the mayor indicated.

"It is beauty that begins to please, and tenderness that completes the charm."  
Bernard De Fontenelle

"Do not wake misfortune when she sleeps."
